Personal data we proces

World Economic Coin processes your personal information in response to your use of our services and/or because you provide it to us yourself.

Below you will find an overview of the personal data we process:

- First and last name.
- Date of birth.
- Gender
- Email address.
- Details of your activities on our website

Special and/or sensitive personal information we process

Our website and/or service does not intend to collect information about customers under the age of 16. Unless they have parental or guardian permission. However, we cannot verify that a visitor is 16 years of age or older. We therefore recommend that parents be involved in their children's online activities to prevent the collection of information about children without parental consent. If you believe that we have collected personal information about a minor without that permission, please contact us at info@worldeconomicgroup.com, and we will remove this information.

For what purpose and on what basis we process personal data

World Economic Coin processes your personal data for the following purposes:

- Submit our newsletter and/or advertising folder

Automated decision making

World Economic Coin does not make decisions on matters that may (significantly) affect individuals on the basis of automated processing. These are decisions taken by computer programs or systems, without human intervention.

How long will your personal data be kept?

World Economic Coin does not retain your personal data for longer than is strictly necessary to achieve the goals for which your data is collected. We have the following retention periods for the following (categories) of personal data:

Name 2 years; the information is kept to alert interested parties to new actions or offers and/or articles.

E-mail address 2 years; the information is kept for the interested party. To be able to draw attention to new offers and/or articles.

Sharing personal information with third parties

World Economic Coin does not sell your data to third parties and only provides it if necessary to implement our agreement with you or to comply with a legal obligation.

If necessary, we settle a contract with companies that process your data commissioned by us, in order to guarantee at least the same level of protection and confidentiality of your data. World Economic Coin remains responsible for these processing operations.

Cookies, or similar techniques, that we use

World Economic Coin uses only technical and functional cookies. And analytical cookies that do not violate your privacy. Cookies are small text files that are placed on your computer, smartphone or mobile phone when you are browsing the Website. The cookies we use are necessary for the technical operation of the website and your ease of use. Cookies are widely used to enable the Website to work or to improve how it works. They help the Website recognize your device and store information related to your visit. Most browsers allow you to manage your cookies by changing their settings. If you agree to our use of cookies but later change your mind, you can delete cookies that have been set up and modify your browser settings to block all later cookies.

View, modify, or delete data

You have the right to view, correct or delete your personal information.

In addition, you have the right to withdraw your consent for data processing or to object to the processing of your personal data by World Economic Coin and you have the right to data portability.

This means that you can submit a request to us to send your personal information that we have in a computer file to you, someone else or an organization you have mentioned.

You may send a request for review, correction, deletion, data transfer of your personal data or request for withdrawal of your consent or objection to the processing of your personal data to info@worldeconomiccoin.com. In order to ensure that the request for review has been made by you, please enclose a copy of your ID with the request. In this copy, make your passport photo, MRZ (machine readable zone, the strip of numbers at the bottom of the passport), passport number and social security number (SSN) black/ unreadable. This is to protect your privacy. We will respond to your request as soon as possible, but within four weeks. World Economic Coin would also like to point out that you have the opportunity to complain to the National Supervisor, the Personal Data Authority. You can do this by using the following link:

<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

How we protect personal information

World Economic Coin takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. If you feel that your information is not secure or there is evidence of abuse, please contact our customer service or at info@worldeconomiccoin.com.
